Iconic® Collection

The standard Iconic collection from Clipsal by Schneider Electric is now joined by two completely new looks with the sophisticated Styl and fresh Essence ranges of skins.
Loaded with clever features

Game changing modular mechanisms and grids with changeable skins and rockers for unrivalled customisation now and in the future.

With ControlLink, lights can be switched or dimmed from multiple locations.

Locking bar allows simple mechanism reorientation and sturdy locking for a fast, easy and secure install, reducing the risk of mechanism pushbacks.

Iconic’s translucent edges allow the skins to pick-up background colours for a design that blends in with any wall colour.

Iconic’s solid edge Vivid White skins are available in selected switches and sockets for a sleek, clean look.

Customisable and future-ready

Interchangeable standard, Styl and Essence skins provide great options to customise to suit specific decor and lifestyle.

Innovative protective flaps help prevent screw access after installation, allowing skins to be changed safely at any time.

Iconic switches are quick and easy to personalise with pictogram rockers that even your customers can change.

Bluetooth Low Energy delivers simple configuration and control of Wiser Dimmers and Switches via the Wiser Room app on your phone or tablet.

Iconic is future-ready allowing for style and function updates in the coming years.

Iconic is a modern electrical accessories range based on a slim, sleek, clean design that is easy to customise and blends in with your decor.
Upgrade to ‘Skinability’

Iconic® is based around a unique, “safe grid” design, with a choice of three different ranges of skins that simply clip on. Once the grids have been installed by an electrician, it’s safe for anyone to change the skins at any time. You simply clip off the existing skin and clip on the new design.

Iconic

The standard Iconic range of skins offers unlimited flexibility with standard white skins, and subtle colour variants that blend perfectly with any interior décor. They are available with translucent edges that infuse with wall colours, and a solid edge vivid white option.

Iconic Styl skins

Iconic Styl is an irresistibly beautiful design made from durable anodised aluminium for a quality look in every home. Iconic Styl adds elegance, colour and modern simplicity with three metallic finishes to offer flexibility to a broad range of décor styles.

Iconic Essence skins

With smooth round wooden edges, Iconic Essence has an unmistakably luxurious look and feel. Setting a new benchmark for quality and style in residential products, the natural finish of Essence will enhance your living space.

Future-proof ‘skinability’

Being able to safely change skins makes it easy for your customers to upgrade to a fresh new look in the future as new skin colours and designs become available.
Clever Functionality

Iconic® features changeable skins, innovative features and enhanced connectivity.

In this all-new platform, we’ve thought of everything including new sockets, switches, dimmers and timers, USB chargers, new safety features, Bluetooth Low Energy connectivity and more. We’ve also designed Iconic with features that greatly simplify installation, and developed new products for safer, smarter homes.

40 mechanisms
Iconic switches and electronic accessories feature the 40 mechanisms designed for optimum flexibility in up to 6-gang grids. The grids make changing from vertical to horizontal orientation simple, and locking bars reduce the risk of mechanism pushbacks.

Great innovations
Iconic includes a 3-gang USB charger with shelf. A Night Walk skin, which replaces the standard double socket skin, features an integrated motion sensor that switches on when it detects movement. LEDs illuminate the way when someone gets up at night, without disturbing others.

Clever efficiency
Iconic electronic accessories deliver clever efficiency to the home. Bluetooth Low Energy connectivity and our own ControlLink technology offer simple configuration and multi-way control. The Wiser Room app lets you configure it all exactly to your customer’s taste.

Enhanced connectivity
Iconic includes a comprehensive range of options for all modern network connectivity requirements. With mechanisms for RJ45 networking, HDMI sockets and audio cable entry plates, you have everything you need for complete home networking.
Sockets With a Difference

Iconic® features innovations like pre-mounted screws, protective flaps and in-line terminals.

- Hole centre indicators for using a 57mm hole-saw for installations
- Captive terminal screws to prevent them from coming out
- 84mm mounting centres fit standard mounting accessories
- Pre-mounted screws for faster fit off, O rings prevent screws dislodging during transportation
- In-line terminals for easy screw access and faster termination
- Metal plate for additional robustness
- Large terminals accommodating up to 4 x 2.5mm cables
- Clear cover showcasing the new Iconic terminal
- Strip length indicator
- Tapping pad for spirit level
- Protective flaps help prevent direct access to the screws after installation
- Socket grids are safe when installed
- All sockets come with internal shutters providing additional protection
- Standard translucent edges allow the skin to infuse with the wall colour, plus Vivid White skins are available with a white solid edge for a clean, sleek look
- Green indicator so you know when it is switched on
- Soft touch matte finish for a premium look and feel
- Clear markings for easy amperage identification
- Slim 9mm profile blends in with the décor
- Wide space between sockets so it’s easy to fit larger plugs
- Safety messages on the protective flaps clearly indicate they should only be opened by certified electricians
- All sockets come with internal shutters providing additional protection.

6 | Clipsal Iconic Range Overview
Clever Switch Innovation

Iconic® grids feature flaps, drill guides and 40 series mechanisms for easy installs and customisation.

- Locking bar helps to reduce the risk of mechanism pushbacks, and makes it easier to change or upgrade mechanisms.
- Metal plate for additional robustness.
- Pre-mounted screws for faster fit-off, O-rings prevent screws dislodging during transportation.
- Protective flaps help prevent direct access to the screws after installation.
- Slim 7mm profile blends in with the décor.
- Optional pictogram rockers to personalise switches.
- Translucent edges allow the skin to infuse with the wall colour.
- A soft touch matte finish for premium look and feel.
- Optional warm white LEDs can be easily wired and set as locator or indicator.
- Hybrid screws are suitable for square drive, Phillips and flathead screwdrivers.

All electrical accessories are now available in the Iconic 40M format.
Electronic Accessories

**Iconic® electronic accessories are designed for clever functionality.**

Electronic accessories fit Iconic switch grids. Secured in place with the mechanism locking bar, they can be easily changed to suit vertical or horizontal orientation. The range includes standard electronic accessories such as rotary dimmers and USB chargers, as well as Bluetooth connected smart accessories such as the Wiser Dimmer and Switch with timer and scheduling functions.

**Rotary and push-button dimmers**
Iconic electronic products include both push-button and rotary dimmers. Push-button dimmers offer multi-way dimming over standard wiring using ControlLink. The dimmers offer adjustable brightness limit settings and have built in resettable protection. They are optimised for performance assurance with the Clipsal TPDL series LEDs.

**Basic timer and electronic switch**
The 2 wire Electronic switch and Timer offer a soft tactile feel. The timer is configured simply by the push button for 30s – 4hrs.

**USB chargers**
Iconic USB chargers have a patented rotatable head for easy reorientation. They also include a patented current management technology, which reduces the output current to prevent overheating while minimising charge times.

**Wiser Switch**
The 3 wire Wiser push button electronic switch offers in-room smart device app control via the Wiser Room app. It is a push button switch, 1s-24hr timer, 24/7 scheduler and digital sunset switch all in one. Also featuring ControlLink for multiway switching. Ideal for control of lighting and scheduling appliances such as heated towel rails, garden lights, pool pumps, hot water booster elements.

**Wiser Dimmer**
The 3 Wire Wiser Push button Dimmer offers in-room smart device app control via the Wiser Room app. Its superior LED dimming performance provides a premium dimming experience. It also has built in 1s-24hr time delay and 24/7 scheduling and digital sunset switch functions. Includes ControlLink for multiway dimming. Ideal for home theatre, bedrooms or living areas for setting the right mood.

**PIR motion sensor**
The Iconic PIR motion sensor mechanism is simple to install and configure with front light level and timer adjustment. It is ideal for hands free lighting control in entry ways, WIR, pantries, hallways or stairs.
With ControlLink and Bluetooth Low Energy for simple connectivity.

Begin your smart home journey with Wiser Iconic® devices using BLE and the Wiser room app.

**ControlLink connectivity**
ControlLink provides multiway control and linking of groups of lights with standard wiring.

**Wiser Room app**
Wiser Iconic 3-wire electronic products can be configured and controlled via the Wiser Room app on most tablets or phones to perform programmed tasks like:
- Switch and dim lights with a configurable timer
- Exhaust fan runs-on after being switched off
- Operate heated towel rails and/or lights on 24hr/7day schedules
- Automatic seasonal sunrise and sunset tracking
- It's also easy to copy and paste settings to save time or reset everything to your original set point

**Bluetooth Low Energy (BLE)**
Wiser Iconic 3-wire mechanisms connect to the Wiser Room app via Bluetooth Low Energy. BLE minimises energy consumption, connecting only when required and does not require any gateway devices.

**Connectivity without complexity**
ControlLink and BLE together offer unprecedented flexibility with standard wiring. BLE is available on most phones and tablets for simple connectivity.
Iconic® includes a wide range of network connectivity products for a professional home network.

Iconic has a broad offer for home data, TV and audio connections, allowing you to easily meet customer requirements for networking, audio and video installations.

Audio, video and networking
Iconic includes a wide range of audio, visual and networking mechanisms to suit any home application. TV’s can be connected to gaming consoles, IPTV and Pay TV boxes through F-Type, PAL and HDMI mechanisms. Sound systems can be connected via RCA mechanisms and RJ45. RJ45 mechanisms can be used for connecting all the smart devices to the home network.

Flexibility of 40 mechanism grids
No two home networks are the same, which is where the range of audio, video and networking mechanisms make every setup simple and easy. You can use combinations of mechanisms in up to 6-gang grids, ensuring that a broad range of end user requirements are met with the Iconic range.

Actassi data networking
Our Actassi data range is a complete networking solution including Cat5e, Cat6 and high performing Cat 6A mechanisms. Cat5e is ideal as a start for most home networking solutions, while Cat6 provides peace of mind with more reliable speed and bandwidth. Cat6A is our high-end solution for large and demanding applications.

Cable Entry Plate
The Iconic Cable Entry Plate is a cost-effective way to allow cables to pass through cleanly and easily and are ideal for placing behind TVs to ensure the cables are kept secure and hidden.

- **3015XA-VW** Power Outlet Grid, Single, 250VAC, 10A, extra switch
- **3015XUA-VW** Power Outlet Grid, Single, 250VAC, 10A, extra switch, less mechanism
- **3015/4-VW** Power Outlet Grid, Quad, 250VAC, 10A
- **3015/4XXUA-VW** Power Outlet Grid, Quad, 250VAC, 10A, 2 x extra switches, less mechanisms
- **3015-VW** Power Outlet, Single, Vertical, 250VAC, 10A
- **3015/15-VW** Power Outlet, Single, Vertical, 250VAC, 15A
- **3015/20-VW** Power Outlet, Single, Vertical, 250VAC, 20A
- **3015XA-VW** Power Outlet, Single, Vertical, 250VAC, 10A, extra switch
- **3015XUA-VW** Power Outlet, Single, Vertical, 250VAC, 10A, extra switch, less mechanism
- **3025-VW** Power Outlet, Twin, Vertical, 250VAC, 10A
- **3025/15-VW** Power Outlet, Twin, Vertical, 250VAC, 15A
- **3025XA-VW** Power Outlet, Twin, Vertical, 250VAC, 10A, extra switch
- **3025XUA-VW** Power Outlet, Twin, Vertical, 250VAC, 10A, extra switch, less mechanism
- **3025/4-VW** Power Outlet, Quad, Vertical, 250VAC, 10A
- **3025/4XXUA-VW** Power Outlet, Quad, Vertical, 250VAC, 10A, 2 x extra switches, less mechanisms
- **3025-VW** Power Outlet, Twin, Vertical, 250VAC, 10A

RCD

- **3025-VW** Power Outlet, Twin, Vertical, 250VAC, 10A
- **3025XWA-VW** Power Outlet, Twin, Vertical, 250VAC, 10A, extra switch
- **3025XUA-VW** Power Outlet, Twin, Vertical, 250VAC, 10A, extra switch, less mechanism
- **3025RCD30-VW** Power Outlet, Twin, 250VAC, 10A, with 30mA RCD Protection
- **3025USB2-VW** Power Outlet, Twin, 250VAC, 10A, with Twin USB Charger
- **3025USBAC-VW** Power Outlet, Twin, 250VAC, 10A, with Type A+C USB Charger
- **3043HSUSB - VW** 3 Gang USB charging station with shelf, 3x2.1A (4.5A max)
- **3043USBG** 3 Gang USB charger module (without skin)

USB Chargers

- **3043USBG** 3 Gang USB charger module (without skin)

Socket Grids

- **3015G** Power Outlet Grid, Single, 250VAC, 10A
- **3015/15G** Power Outlet Grid, Single, 250VAC, 15A
- **3015/20G** Power Outlet Grid, Single, 250VAC, 20A
- **3015XUG** Power Outlet Grid, Single, 250VAC, 10A, extra switch less mechanism
- **3025G** Power Outlet Grid, Twin, 250VAC, 10A
- **3025XAG** Power Outlet Grid, Twin, 250VAC, 10A, extra switch
- **3025/15G** Power Outlet Grid, Twin, Vertical, 250VAC, 15A
- **3025RCD30G** Power Outlet Grid, Twin, Vertical, 250VAC, 10A, with 30mA RCD Protection
- **3015/4XXUG** Power Outlet Grid, Quad, Vertical, 250VAC, 10A, with 2 x extra switches less mechanisms
Sockets, Skins and Mechanisms (cont’d)

Socket Skins – including colours

3015C* Power Outlet Skin, Single, 250VAC, 10A
3015/15C* Power Outlet Skin, Single, 250VAC, 15A
3015/20C* Power Outlet Skin, Single, 250VAC, 20A
3015XC* Power Outlet Skin, Single, 250VAC, 10A, extra switch
3025C* Power Outlet Skin, Twin 250VAC, 10A

Network Connectivity

The Iconic® network connectivity offer includes all common connector options for the modern networked home.

### Audio Connectors
- RCA sockets for stereo speaker cables.
  - 40BC/2-TN: Banana Audio Connectors RD + BK
  - 40SPK/2-TN: RCA Audio Connectors RD+BK

### HDMI Sockets
- Ideal for organising HDMI communications cables.
  - 40HDMIA-TN: HDMI Socket Angled Rear
  - 40HDMIS-TN: HDMI Socket Straight Rear

### Telephone Sockets
- For organising telephone cables.
  - 40RJ64SMT-TN: Cat 3 Telephone Connector RJ12

### Cable Entry Plates
- Iconic Cable Entry Plates keep cable connections tidy.
  - 3040CEP-VW: Cable Entry Plate

### Clipsal 40 Mechanism Adaptors
- 40ADPKS-TN: Adaptor RJ Tyco Krone Siemon, 10Pk
- 40ADPSY-TN: Adaptor RJ Systimax AT&T, 10Pk

### Actassi RJ45 Sockets
- High performing RJ45 sockets for connecting your home network.
  - 40RJ45SMA5C-TN: Cat 5E Connector RJ45 Unshielded
  - 40RJ45SMA5SHC-TN/PK: Cat 5E Connector RJ45, Shuttered, Unshielded
  - 40RJ45SMA6AC-TN: Cat 6 Connector RJ45 Unshielded
  - 40RJ45SMA6ASC-TN: Cat 6A Connector RJ45 Shuttered Unshielded

### TV Sockets and Plates
- F-series sockets and plates for television broadcast coaxial cables.
  - 40FFPMS-TN: TV Socket PAL Front, F-Type Rear
  - 40PFM-TN: TV Socket F-Type Front, F-Type Rear
  - 3041TV75F-VW: TV Socket PAL Front, F-Type Rear, 1G Plate

### Actassi RJ45 Sockets (cont’d)
  - 40RJ45SMA6SHC-TN: Cat 6 Connector RJ45 Unshielded
  - 40RJ45SMA6ASC-TN: Cat 6A Connector RJ45 Shuttered Unshielded
  - VDIB177AXU10TN: TV Socket PAL Front, F-Type Rear, 1G Plate

Electronic Accessories

Iconic® electronic accessories offer clever functionality to the home.

Wiser Dimmer
Offers simple app control and configuration and superior multiway LED dimming control.

Wiser Switch
Offers app controlled electronic switching, timer and scheduling functions.

2 Wire Switch, Timer and Dimmer
Push button electronic switch, timer and dimmer with ControlLink for multiway control.

Rotary Dimmer
Available in LED and universal models, offering adjustable minimum brightness to suit LED and many other loads.

ControlLink Mechanisms
Remote mechanism uses standard wiring to provide multi-way dimming and switching control for compatible ControlLink electronic mechanisms.

PIR Motion Sensor
PIR motion activated sensor mechanism for hands free lighting control.
Electronic Accessories (cont’d)

USB Chargers

Single and double USB charger mechanisms.

Accessories

Clipsal Iconic range suits existing mounting accessories with the addition of the new 4-gang socket wall bracket (3155H4), wall box (3157/4PRM) and mounting block. We have also developed a new range of mounting blocks for single gang switches and sockets. Like the shallow optimum mounting block (3000SM-VW), the deep optimum mounting block (3000DM-VW) and the standard mounting block (449AB-VW).
## Pictogram Rockers

Iconic® switches come standard with plain rockers, which you can customise with optional pictogram rockers.

How to Order

With set prefixes, part numbers, skin codes and colour initials, ordering the Iconic® range is simple. For example:

<table>
<thead>
<tr>
<th>Prefix</th>
<th>Design</th>
<th>C</th>
<th>**</th>
<th>**</th>
</tr>
</thead>
<tbody>
<tr>
<td>Iconic</td>
<td>3025</td>
<td>C</td>
<td>**</td>
<td>**</td>
</tr>
<tr>
<td>Iconic Styl</td>
<td>S</td>
<td>3025</td>
<td>C</td>
<td>**</td>
</tr>
<tr>
<td>Iconic Essence</td>
<td>E</td>
<td>3025</td>
<td>C</td>
<td>**</td>
</tr>
</tbody>
</table>

New colour codes and finishes

There are five new finishes for Iconic. Styl is available in silver, crowne and silver shadow anodised aluminium. Essence is available in arctic white and ash grey matt finish skins, with real birch timber edges.

<table>
<thead>
<tr>
<th>Iconic Styl</th>
<th>SV</th>
<th>Silver</th>
<th>Silver anodised aluminium, plus cool grey gloss plastics.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>CE</td>
<td>Crowne</td>
<td>Gold anodised aluminium, plus warm grey gloss plastics.</td>
</tr>
<tr>
<td></td>
<td>SH</td>
<td>Silver Shadow</td>
<td>Anthracite anodised aluminium, plus anthracite gloss plastics.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Iconic Essence</th>
<th>AW</th>
<th>Arctic White</th>
<th>Real birch timber trim, plus vivid white matt plastics.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>AG</td>
<td>Ash Grey</td>
<td>Real birch timber (stained dark), plus new ash grey coloured matt plastics.</td>
</tr>
</tbody>
</table>

Corresponding grids and skins

Each skin design carries the part number that corresponds to the grid with which it is compatible. For example:

**Iconic Essence double socket in arctic white**

<table>
<thead>
<tr>
<th>3025</th>
<th>G</th>
<th>E</th>
<th>3025</th>
<th>C</th>
<th>AW</th>
</tr>
</thead>
<tbody>
<tr>
<td>Part number</td>
<td>G = Grid</td>
<td>E = Iconic Essence</td>
<td>Same as grid part number</td>
<td>C = Skin</td>
<td>** = Finish</td>
</tr>
</tbody>
</table>

**Standard Iconic 3 gang switch in anthracite**

<table>
<thead>
<tr>
<th>3043VAG</th>
<th>3043</th>
<th>C</th>
<th>AN</th>
</tr>
</thead>
<tbody>
<tr>
<td>Part number</td>
<td>Same as grid part number</td>
<td>C = Skin</td>
<td>** = Finish</td>
</tr>
</tbody>
</table>

**Iconic Styl 3 gang switch in silver**

<table>
<thead>
<tr>
<th>3043VAG</th>
<th>S</th>
<th>3043</th>
<th>C</th>
<th>SV</th>
</tr>
</thead>
<tbody>
<tr>
<td>Part number</td>
<td>S = Iconic Styl</td>
<td>Same as grid part number</td>
<td>C = Skin</td>
<td>** = Finish</td>
</tr>
</tbody>
</table>

**Iconic Essence 3 gang switch in arctic white**

<table>
<thead>
<tr>
<th>3043VAG</th>
<th>E</th>
<th>3043</th>
<th>C</th>
<th>AW</th>
</tr>
</thead>
<tbody>
<tr>
<td>Part number</td>
<td>E = Iconic® Essence</td>
<td>Same as grid part number</td>
<td>C = Skin</td>
<td>** = Finish</td>
</tr>
</tbody>
</table>
Select a DGPO grid plate and choose a decorative skin

<table>
<thead>
<tr>
<th>Grid Plate</th>
<th>Skin Choices</th>
</tr>
</thead>
<tbody>
<tr>
<td>Iconic platform</td>
<td>Iconic Styl</td>
</tr>
<tr>
<td>3025G</td>
<td>S3025C-SV</td>
</tr>
<tr>
<td></td>
<td>S3025C-CE</td>
</tr>
<tr>
<td></td>
<td>S3025C-SH</td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

G = Grid Plate  S = Styl  E = Essence  C = Skin

Ordering a DGPO with USB in anthracite

<table>
<thead>
<tr>
<th>Grid Plate</th>
<th>USB Mechanism</th>
<th>Adaptor</th>
<th>Skin</th>
</tr>
</thead>
<tbody>
<tr>
<td>3025XUA-VW</td>
<td>40E2USBM-VW</td>
<td>40E2USBCAP-AN</td>
<td>3025XC-AN</td>
</tr>
</tbody>
</table>

G = Grid Plate  AN = Anthracite

Order process

<table>
<thead>
<tr>
<th>Grid Plate</th>
<th>Mechanisms</th>
<th>Skin</th>
<th>Rockers / Knobs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Select grid. Grids end in a G suffix.</td>
<td>Select one or more mechanisms to load into the grid if the grid is unloaded. Mechanisms with a VW extension, come with a Vivid White rocker or knob included with the product.</td>
<td>All skins come pre-loaded with plain rockers of the same colour / finish of the skin.</td>
<td>Choose pictogram rocker, special rocker, dimmer knob in required colour. Non-standard pictogram rockers can be ordered as special items.</td>
</tr>
</tbody>
</table>

Ordering a 2-gang switch with dimmer and pictogram rocker in silver shadow

<table>
<thead>
<tr>
<th>Grid Plate</th>
<th>Mechanisms</th>
<th>Skin</th>
<th>Rockers / Knobs</th>
