

CLIPSAL[®]

by **Schneider** Electric

56 SERIES

PERFORMANCE IN POWER

- IP66 International Protection Rating
- M-Rated for industrial environments
- Tried and proven industry performance

NEW DESIGN
FEATURES

Clipsal's 56 Series has been an industry leader since 1981 and just when you thought they couldn't get any better, they have.

Clipsal Engineers have given the legendary 56 Series Switched Sockets a complete makeover. Not only do they look better with improved styling, but they're now available in white, which is ideal for the food industry.

The new 56 Series Switched Socket is also jam packed with new innovative features such as a larger area for padlocking, a 25% stronger socket flap and laser marked identification just to name a few.

When it comes to quality and reliability you just can't go past 56 Series, a tried and tested performer in Australian industry for over 25 years. If you require Australia's best industrial switchgear insist on Clipsal Industrial Switchgear... **performance in power.**

Now Available in:

Chemical Resistant White
Chemical Resistant Orange
Chemical Resistant Grey
